Parents' Day

Parents' Day was a huge success!!! We had many Congressional Parents at our tent on Saturday. Everyone seemed to have a great time and really enjoyed the social time with the other families.

Blood Drive

There will be a blood drive tomorrow sponsored by the Student Government Association. We will be working tomorrow at West Hall Cellar from 10-4. Everyone is more than welcome to attend. If anyone is interested in working sign up on the list that goes around today in congress. Come by and pump out a bag or two.

Provide-a-Ride

Provide-a-Ride numbers were great this week. Friday was outstanding and numbers are only expected to grow.

Everyone should come out and enjoy a social event on the vans. Its sure to be a time you will be able to reflect on for years down the road. Come out and ride Thursdays and Fridays on from 11-2.

Christmas Party

The SGA Christmas Party will be next Tuesday after Congress. Directly after Congress we will go downstairs to Topper Café. After our meal, we will all head to the ball game and watch our Toppers bring home a victory against Murray State.

Leftovers???

Don't forget to eat your leftovers. If you have any leftovers that you don't want throw them away so that they don't start stinkin'.

Nominations

We will be having nominations today for Committee Member of the Semester and Congress Member of the Semester.
